

Journey, Featuring the Adventures of Wolverine MacAlistaire: Bad Weather (Vol. 2) (Journey Saga)

The second volume of the Journey series. The second volume in this magnificent series by the indy-comics pioneer continues the adventures of a different kind of pioneer, Wolverine MacAlistaire. Set back in the days when Michigan was the Western frontier and America was a vast and unknown continent, this realistic and absorbing account of life in the 19th century wilderness finds MacAlistaire enduring tornadoes, Indians, and even the walking dead all delineated in Messner-Loebs unique neo-Eisnerian style. Black-and-white comics throughout
