

Wytches #1 - #5 Set!!! Lot of Five Image Comics

This offer is for the first FIVE issues of the hit new comic book series from Image Comics (also schedule for a movie adaptation by/with Brad Pitt). What Image Comics has to say about their popular new comic series: Issue #1: Across the globe, century after century, men and women were burned, drowned, hanged, tortured, imprisoned, persecuted, and murdered for witchcraft. None of them were witches. They died protecting a terrible and hidden truth: witches, real witches, are out there. They are ancient, elusive, and deadly creatures that are rarely seen and even more rarely survived. This October superstar creators SCOTT SNYDER (SEVERED, Batman) and JOCK (SNAPSHOT, Batman) unveil WYTCHES, and introduce you to a world of unimaginable horror in a special EXTRA-SIZED FIRST ISSUE with 30 pages of story and no ads. Issue #2: A busload of children disappears in the woods. A strange bite grows on a girls neck. And the wytches are getting closer, creeping from the woods. Be there for the terrifying second chapter of the new smash hit, WYTCHES.
