

X-Men: Curse of the Mutants - Blade (2010) #1 (X-Men: Curse of the Mutants Saga)

Someone, something, is killing vampire slayers all over the world. Blade, the biggest, baddest slayer of them all, gathers an emergency assault team to blitz the bloodsuckers underground and force answers out of whoever's not reduced to a pile of smoking ash. But Blade's not going to like what he hears. A new dawn is rising for the vampire nation. The rules are about to be rewritten, and Blade's about to go fang-to-fang with a new threat he knows he can't fight alone.
