

X-O Manowar (2012-) #10: Digital Exclusives Edition

With digital exclusive content including original art! Planet Death looms! A new X-O Manowar rises! And nothing can stop whats coming. With the Vine invasion fleet waiting in orbit, Aric of Dacia is forced into the one battle he never wanted, against the strongest, most horrifying opponent hes ever faced. This adversary doesnt want the X-O Manowar armor. It doesnt want Earth. It only wants Aric-- dead. The winner will hold the fate of everyone-- human and Vine-- in the palm of his hand. Because before this fight is over, the armor will reveal that it wields far more destructive potential than anyone could have possibly imagined. Robert Venditti and Trevor Hairsine conclude the two-part prelude that sets the stage for the epic war everything has been building up to. X-O Manowar is going home!
